

2020 ANNUAL REPORT

In 2020, the Food Bank of Northeast Arkansas distributed more than 10.3 million pounds of food—the equivalent of 8.6 million meals. We realize that our team would not be able to continue this work without the generous support of our donors and volunteers.

Because of you, we can continue to fill pantry shelves to provide relief from the stress of not knowing if there will be enough food for the week. Nothing can measure what it means to help people take control of their lives.

For people facing hunger hope is a hot meal, a bag of groceries, a well-nourished child. Your partnership is essential to the fight against hunger in Northeast Arkansas. We are truly honored to receive your support. Friends like you bring hope to Arkansans in need.

With Gratitude,
